Delta Health Alliance

Solutions for a Healthy Tomorrow

Delta Health Alliance at work

325% Increase in enrollment at the Delta State University School of Nursing since DHA began funding the program to help alleviate the nursing shortage.

891,104 Number of individuals whose health records are stored on the DHA Electronic Health Records system, making it easier for doctors to diagnose and treat illnesses and prescribe medications.

Number of health care professionals who use the DHA Electronic Health Records system.

250% Increase in number of patients treated at the Good Samaritan Clinic in Greenville since DHA funding allowed the clinic to expand its hours and enhance its services.

86,083 Number of individuals in the Delta who have received medical services or health education from a DHA program during the 2009–2010 fiscal year.

7,000 Number of pre-school children in the Delta who have received free books from the DHA / Dolly Parton Foundation Imagination Library project.

Number of mothers in Washington and Leflore Counties who are part of the Maternal Infant Health Outreach Worker program and who have received multiple visits from trained staff to help them with pre-natal and post-natal care.

Number of Delta hospitals that have telemedicine capabilities in their emergency rooms connected to UMMC's physician staff, as a result of DHA funding.

Patients served by 12 Community Mental Health Centers and the State Hospital representing 12,000 TelePsychiatry encounters.

Indianola Promise Community

Something Promising is Happening in Indianola

The Indianola Promise Community is a Delta Health Alliance initiative uniting health care, education, community and faith-based services to provide people the opportunity to realize their promise as active members and leaders in the Indianola community.

This is Where We Begin

Teen Pregnancy

IPC's efforts to help teen mothers and their children.

Healthy Babies

Supplementing existing programs designed to keep babies well, Healthy Babies focuses on outreach.

K-4 After-school & Summer Programs

To boost academic achievement in these grade levels.

Promise School

The Promise School prepares over 100 Indianola students for kindergarten.

IPC Family Health Clinic

The IPC Family Health Clinic is one of many ways Indianola residents will enjoy greater access to health care.

IPC Summer Camps

2010 summer camps served over 600 campers.

South Gate Park

Next to Bethune Recreation Center, 350 Indianola volunteers built a playground in just six hours.
